

Sorry about the delay
but I have been waiting for
info. regarding "Ronnie" - It finally
arrived yesterday having been
delivered in typical ^{efficiency} Postal
~~efficiency~~ methods to the wrong address
where it has remained since some-
time in July - Tried to get you
by phone under 16 Tel # listed
for Traps benefit and all I got
was a nice little french man
who said Marg Armitage didn't
live there, so I gave that up & called
"Browne". I will definitely be
there - I leave here Sept. 7th for
Toronto & will have a visit
with my mother & other members of
the family over the weekend - Browne
didn't know who would be
picking up from Toronto. That I
could hitch a ride with, but
said she'd look into it for me -
Dick is a bit of an unknown
quantity at this point as he has
to be in New York for meetings

plan - at this point seem to be that he will fly to Toronto from N.Y. on Wed. am rent a plane & fly up to Deurgh or some nearby place for where there is a landing strip. (He's not too good on water) & be here for the dinner Wed. eve. The plans are of course dependant on weather - we would then fly back to Toronto Wed. Thurs aft. & home on Fri.

Anyhow in the interim phase book a double room with two beds if possible or to off chance that all goes well & he can arrive - I am enclosing two cheques - \$56.00 for

Ronville and \$25.00 to assist in Shiga expenses and postage paper etc that I'm sure you are out of pocket for - I will do it up as you see fit. If you need more let me know in Sept.

Really looking forward to seeing everyone again. Hope my writing is easier to read 1452

Joyce - You must have used a telephone number I had about five years ago - since then I rented my house for about 18 months and I am now back there - hence the change of number. It is a small world - I was leaving on Friday last to visit my son in Peterborough and Brownie in Lakefield, and giving a few instructions to the gal who pinch hits for me in my absence (she is a legal sec'y in this firm) and she looked up at me and said - "Re-union ...Phys Ed... by any chance was Joyce Jarvis in your class?" I said "Yess....and damn it..she is one of the few I have not yet had confirmation from" her answer was....."she is coming to your reunion because she cannot come to ours "Wrens"...LOIS DUGGAN Joyce when I got to Lakefield

Dear Mary -

8/12/29.

All kinds of important news waiting me on my
return from L.A. - your favor of Sept. 4 - later news is
such fun - I can't imagine how you get in done
even in a 12 hour day! I would love to discuss
things with you from Ottawa to Winnipeg & stay
there overnight if it is O.K. with her. I am
wondering her name to say "yes" - thank you I'd love
to. I can leave Ottawa whenever you like & will
arrange with Laidlaw - or you if it's a matter
of time - is she not coming then - maybe I can
persuade her - I hope so! I felt awfully hurry
saying I'd like to run with Skizgo - I'm
wondering her to pick her own route - as
she covers the shortest - like Ray I'll share
with anyone willing! It sounds great to have
all the local plans & would appear anywhere can
get anywhere they want due to the hospitality
of your hostesses - the only thing left is the
weather, and as I remember September there, it was
quite lovely. I want to contribute to both your
affairs & to Skizgo's stay, & will when I get these -

Commission its back to work for 3 weeks & then
away - its worse than one thinks! I suppose
some will be bringing the 2 seasons - the N.E.S.
I have mine here but if there are new
ones - has to say - but let me know if you

Dear Wang:

Too many visitors plus
visiting grandchildren - I have never
here I am - plus the gene etc.

The planning seems to be
really coming apace - I pleased
that Phyllis has come - that
is really great.

Had a phone call from Pat
(Stine) to-day. She had just
dropped in at Bonville on her
way home from the hotel - it
seems we will have the place
to ourselves - sounds great.

Is there a time for arrival
at Bonville? I presume not -
They will be ready for us early.
- if we're the only crew there.

Jim & I plus two children, plus
a baby sister spent three weeks
at Bonville many years ago &
was part of pleasure about the
place.

See you on the 11th.

Wendell Phillips;

I've written to Kay (Rural)
^{not changing} his ~~correspondence~~ ^{arranging}
transplantation to Knoxville.

It will be great to see
him again!

I am speaking to a former
neighbour of Mary Lathrop's
who said that the

Lathrop's usually go
down East for the
summer. There was

no answer when I
telephoned Mary recently.

The plans for the reunion
are certainly shaping
up nicely.

Best wishes.

able to accept Lawrence &
Edith's invitation.)
